

MODULO è un sistema progettuale con al centro modelli poligonali di formati differenti, per plasmare un'idea totalmente nuova di pavimento in graniglia alla veneziana.

With its polygonal modules of different sizes at its centre, MODULO is a design system which shapes a totally new idea of Venetian Terrazzo flooring.

Non è solo una collezione progettualmente versatile, ma una soluzione dall'alto valore decorativo che si abbina ai differenti stili di interior design.

Not only is it a versatile collection from a design perspective, but also a solution which, decoratively speaking, has a high value that suits different styles of interior design.

# SQUARE

Un percorso visivo nella materia, che enfatizza la graniglia in tutta la sua bellezza. In Square i grani sono protagonisti e lo spazio viene impreziosito da un'anima materica.

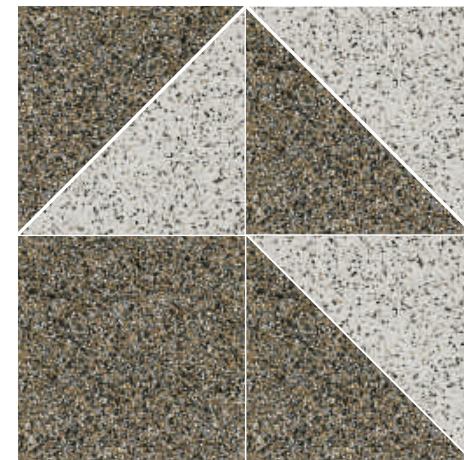

A visual journey into the raw material, which emphasizes the Terrazzo in all of its beauty. In Square the grains are put under the spotlight and the space is embellished with a material soul.

# PLAIN

Lo stile componibile in cui la graniglia si intreccia al colore. Lo spazio viene così riorganizzato e ridefinito dalla superficie, costruendo un effetto visivo unico in ogni sua estensione.

Terrazzo and colour intertwine to create the modular style. The space is therefore reorganized and redefined starting from the surface, creating a unique visual effect in all its manifestations.
